Thank you for meeting all deadlines!

Photograph: Please scan and save as a jpeg. Attach this to an email through abbynet to Denise Silzer. You may scan your photograph in Room C133 if needed.

Grad Write up:
All write ups will be edited by Ms. Silzer
No references to drugs or alcohol
Please keep initials to a minimum
Maximum: about 50 words

Please encourage your student to write a saying that will reflect his/her thoughts in a way that will be acceptable years from now (for ex. saying how much you love your boy/girlfriend is not a good idea)

Both are due by Jan 29: Please hand in **or email me** (Ms. Silzer). Doing the graduation pages in the yearbook is a time consuming task. Please make this job as easy as possible by getting your grad write up and photos in as soon as possible.

Parents:
Here is your opportunity to put your well wishes in print!! Please see Ms. Silzer if you would like to purchase yearbook space to send a message to your student. ***DUE JAN 29 but space is limited - The earlier, the better!!***

\$35 – message only
\$60 – 1/8 page message and photograph
\$100 – 1/4 page message and photograph
\$150 – 1/2 page message and photograph
\$200 – full page ad

This will be kept in confidence until the printing of the yearbook.
